OKE UMURHOHWO

**FOR DELTA STATE HOUSE OF ASSEMBLY 2023
UGHELLI NORTH CONSTITUENCY II**

- T H E U N V E I L I N G -

DIVINE MANDATE 2023

ABOUT

**Oke
Umurhohwo**

WHO IS OKE UMURHOHWO

- Oke was born on Saturday May 5th, 1990 at the General Hospital, Ughelli to the family of Olorogun Superior Umurhohwo in Ujode, Ughelli and Ejiro Egbo of Ekrahowe-Uduere, Ughelli both of Ughelli North Local Government Area of Delta State.
- Between 1996 – 2006, he attended High Standard Comprehensive School, Ughelli for his primary education and secondary school, obtaining his WAEC certificate in 2006. He proceeded to the University of Lagos, Akoka, Lagos state for his Bsc in Marine Biology (2013), Masters in Environmental Management (2017) and Masters in Business Administration (2019).
- Oke works for the biggest phone brand as the Marketing manager coordinating marketing strategy implementation for the brand's presence in West Africa.

WHO IS OKE UMURHOHWO (CON'T)

- Oke is also a dynamic leader and Youth Ambassador who is consciously pushing for greater participation of young Nigerians in the affairs of the country. He displays strong passion for the communications and media industry, with a visible interest in good governance.
- Since 2013, Oke has been an active member of the PDP, having worked closely with President Goodluck Jonathan, Jimi Agbaje and Atiku Abubakar.
- Oke Umurhohwo was a part of the coordinating team that championed the Not Too Young To Run bill which has been signed by President Muhammadu Buhari.

**It's Time for
People - Centric
Leadership
I CHOOSE TO SERVE!**

- Oke Umurhohwo is a politician and member of the People's Democratic Party (PDP) in Delta state.
- He's running for the Delta State House of Assembly seat come 2023. His drive is for effective governance, quality and proper representation and to bring the dividends of Democracy to members of the constituency in particular and Deltans at large.

- Oke Umurhohwo at different capacity have served our noble party.
- Oke is always in touch with his constituency and is involved in various societal programmes ranging from medical support, student scholarship, empowerment programs and the now famous Oke Umurhohwo Cup.

WHY POLITICS?

Each time I remember my childhood, I am reminded of my strong passion for positively impacting lives, no matter how small. Politics offers me this opportunity on a much larger scale to continue to put people first. When people are well listened to and catered for, the economy thrives.

It was this understanding that informed my decision to go into politics.

I am into politics because I'm always eager to touch lives and better our society.

I want to be an active, open and consistent voice of the people. I want to press for and deliver to you the things you all desire.

UGHELLI NORTH CONSTITUENCY II DESERVES THE BEST

SUPPORT

OKE UMURHOHWO

**FOR DELTA STATE HOUSE OF ASSEMBLY 2023
UGHELLI NORTH CONSTITUENCY II**

OKE UMURHOHWO

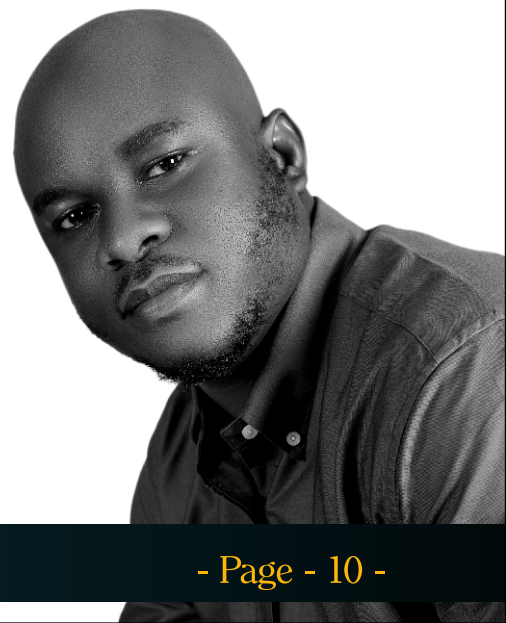

FOR DTHA, 2023

Democracy is considered unique and more acceptable to many countries that adopted it as a form of government because of the legislature, which is the coming together of the representative of the people, who makes laws and checks the activities of the executive.

Given my intention to serve and affect the people of our constituency positively, I consider the legislative arm of government as the right place for me to be.

At the Delta State House of Assembly when elected in 2023, I will be able to present the challenges of our Constituency and make sure it gets what it truly deserves.

I will also push to actualise all my agendas, which are all centred on citizens

“ Going to the Delta State House of Assembly will be a game-changer, not only for my people, but the entire people of Delta State. ”

Oke Umurhohwo

FOR DTHA, 2023

Vision

Since word got out that I will be seeking the Ughelli North Constituency II seat in the 2023 election.

I have been asked numerous times, "why now" and "why the **Delta State House of Assembly**"?

And my simple answer is 'The People' and this is because of my vision of bringing opportunities for our people to thrive and through legislation and oversight roles, we will create pathways out of poverty than any other time in history.

Oke Umurhohwo

FOR DTHA, 2023

My Plans

Given my zeal to serve and impact people positively, I will be exploring law-making, lobbying and advocacy to ensure that Constituents enjoys their fair share of what democracy offers in terms of personal development, protection of rights, safe environment for them and businesses, easy access to qualitative health care, social integration, quality education for young ones, among others.

Education for All

I believe in a strong public education system and will work on legislations that further empower public schools with the tools they need to mold students into great assets for the future.

I plan to work with colleagues in the House to fight the scourge of out-of-school children and see to it that no child is left untrained at least up to the secondary school level.

Therefore, I will be undertaking the following to achieve the vision:

- * Remove the barrier that forced hundreds of school-age children in the Constituency to be out of the classrooms.
- * Commit more than 10% of my emoluments in the House to the provisions of basic educational tools for school children in the Constituency.
- * Influence infrastructural upgrades of public schools with the Constituency to conform with modern reality and encourage a qualitative learning environment

Easy Access to Healthcare

By design, no one should be too poor to get the healthcare they need. Access to healthcare should be easy and affordable to all. In truth, progress has been made in recent years, but there is more work to be done to make sure that healthcare facilities available to the people of Ughelli North can attend to their healthcare needs, and won't matter how deep their pocket is or their social status.

In the Delta State House of Assembly, I will work on interventions that prioritize broader access to healthcare and push for the concentration of a sizeable portion of the state's budget to equipping public hospitals to enhance service delivery. This will not only help to achieve a healthy population but contribute greatly to the economic growth of Delta State.

I will also work to:

- * Promote a bill that strategically enrolls every Deltans on a comprehensive healthcare plan.
- * Seek increased contributions of the state and local governments to the funding of healthcare under their respective jurisdiction.
- * Introduce a legislative instrument that criminalizes deliberate negligence of patients on the basis of their economic or social status.
- * Advocate for the creation of a special fund to be concentrated on the upgrade of a public hospital in each of the local governments in Delta State.

Helping Businesses to be Stronger

Whether they have been around for ages or just getting started, small businesses are very important in our aspirations for a stronger economy.

So, we have to do all we can to help them stand strong. As a brand manager who has guided a lot of businesses to success, I have seen firsthand the struggle people go through to take their businesses to a point they have to worry less.

Even in my consultations and tour, I have seen the hard push that many of our people give every day to keep their business afloat and their silent call for help to overcome the series of challenges that stand in their way to achieving success. This is why I'm coming up with legislation and other interventions to help their businesses stronger because it makes Delta State's economy too stronger. Therefore, I shall:

- * Work with colleagues in the House and agencies of the government to eliminate multiple taxations that burden businesses.
- * Introduce a scheme that ensures businesses up-to-date in taxes are entitled to soft loans with no collateral.

Massive Infrastructural Development

For far too long, Ughelli North Constituency II has seen a negligible presence of infrastructure. Those in existence in the constituency are not getting attention, especially when it comes to renovation or upgrade, leaving many in perilous conditions and so, jeopardizing the quality of life of our people, and impacting the ability of our communities to attract the right investments.

This is sordid but it is not beyond turnaround. In the Delta State House of Assembly, I shall be highlighting the obvious abandonment of our Constituency and the huge costs, not only to our people but to the State as a whole. I will:

- * Fight for a fair distribution of infrastructural developments, ensuring that Ughelli North State Constituency II always feature in the infrastructure plan of the state.
- * Lobby the Executive arms of government and colleagues in the House to facilitate the construction of roads and bridges that contributes to the economic and social wellbeing of the people.
- * Push for the opening of new linkage roads, especially in rural communities, and ensure that existing ones are put in a condition that makes the movement of people and goods possible.
- * Propose sustainable funding pathways for public infrastructures through the exclusive reservation of at least 15% of the total annual budget for infrastructure projects.

Work To Strengthen Safety For All Deltans And Businesses

In recent times, we have seen a steady rise in violent crimes in many parts of Nigeria. And unfortunately, Delta State is not left out of the nightmares that are associated with insecurity. As a result, valuable investors are not encouraged to invest their funds and those who take the risk are daily faced with uncertainty on the return of their investments.

Instead of relying on the existing security architecture to wade off the threat of insecurity, I shall be projecting a refreshing idea in the Delta State House of Assembly to aid the security of our people and assure businesses of their safety and their investments. To this end, I will:

- * Propose a mechanism for homeowners and businesses to document tenants and workers with the relevant agencies so as to easily detect security threats.
- * Lobby for the posting of Deltans in security agencies to the state to utilize their knowledge of the environment in preventing crimes.
- * Advocate for increased funding for the procurements of gadgets and any other tools required by security agencies to effectively discharge their duties.
- * Work in tandem with the traditional authority to improve the work of the community police and local vigilante

OKE UMURHOHWO NON-LEGISLATIVE AGENDA

To solve many of the problems in our communities, we are hereby proposing to carry out the following **non-legislative programs and projects** when elected into the Delta State House of Assembly to represent Ughelli North Constituency 2:

Rewards for educational excellence programs: A yearly spelling bee, quiz, and debate competitions among secondary schools in the constituency.

Special attention to Global Health Days: by partnering with NGOs, USAID, WHO, and other charity organizations in providing health relief materials, free consultations, drugs, etc to members of the constituency on selected health days like World Malaria Day, World Hepatitis Day, World AIDS Day, World Immunization Week etc

Setting up of ICT Hub and Training Centre in collaboration with Telecoms giants to train our youths to have modern relevant ICT skills like Networking, Programming, Mobile App Development, Web Designing, Blogging, Computer Repairs, and Database Management.

Free extra mural lessons for certificate class students across Ughelli North 2 public schools, in collaboration with the community graduates.

Yearly Oke Umurhohwo Football Competition: To encourage the youths to showcase their talents. Winners, first and second runner-ups go home with cash gifts and would be availed the opportunity to have their football careers launched into the limelight.

Free Fuel Initiative: Through partnership with fuel stations across the constituency, fuel would be given to 100 Okada and Keke riders to support their hard work once a month.

Support for the Vulnerable: We will create a support mechanism for widows, widowers, pensioners, job seekers, and others included but not limited to monthly cash support, food items etc

Justice League Team: In partnership with a team of lawyers, to help bring justice and free legal services to the poor and oppressed people in the constituency.
